ABOUT

This booklet provides information about the International True Sustainability Competition (ITSC) 2026.

PURPOSE

To promote science-based learning in environmental sustainability by addressing misinformation, narratives, and hype prevalent in the current global discourse.

ELIGIBILITY

Students enrolled in post-secondary educational programs with a valid student ID. All study areas and levels accepted, including post-doctoral programs.

TASKS

1. Download ***Chapter I: Consumers, Be Aware and Beware!*** from the ***BE GREEN HEROES*** book via <https://begreenheroes.com/learn> (Free download available currently in seven languages: English, French, Italian, Spanish, Korean, Chinese and Arabic).
2. Develop and submit a public campaign that promotes environmental science, incorporating the content of Chapter I – Highlighting misperceptions on common narratives required.

PARTICIPATION DETAILS

- Participation is open to individuals or teams.
- Each individual may register only once.
- All submissions must be in English.

EVALUATION CRITERIA

Criteria	Points
How factually accurate is your campaign?	10
How much educational value does the audience receive from the Chapter I of BE GREEN HEROES book?	5
Does your campaign idea stand out as something new and interesting ?	5
Is your campaign realistic? Could it reasonably be used and implemented ?	5
Are your deliverables visually appealing and creative ?	5
Total Points	30

REQUIRED ELEMENTS

➡ Mood board laying out your ideas (no specific format required)

➡ Video / Audio to present your ideas to the judges (~ 1 minute in length)

➡ Creative / fun campaign slogan

➡ Example social media post(s) in .png, .jpg, etc.
